

Building democracies: Ukraine and Japan. Japan's democratization assistance to Ukraine in 2015 [Text] / ed.: R. Shiratori, M. Rozumny, K. Hashimoto. – Kyiv : NISS : Phoenix, 2016. – VIII, 564 p.

Japan's democratization assistance to Ukraine in 2015 was represented by the Cooperation Package «Seminar(s) on Knowledge and Experience Sharing for Restoring Democracy». It integrated Japanese assistance for enhancing democratic governance in Ukraine in various spheres including elections administration, legislative management, functioning of Mass Media, anti-corruption efforts. The book includes 1) the overview of the whole Cooperation Package plan; 2) lectures delivered in the framework of the Cooperation Package; and 3) analytical papers on the present situation in Ukraine, written by Ukrainian researchers.
